SUPPLIER OF COMPLEX SOLUTIONS

We make die forgings and pressings from 1 - 70 kg with top quality for various industries.

We export 80% of our production to more than 22 countries in Europe, Africa and Asia.

CERTIFICATES

We own more than 70 certificates.

MODERN TECHNOLOGY

- Material cutting and heating before forging
- Open and closed die forging
- Hot and cold pressing
- Heat treatment
- Grinding, blasting, welding, thread rolling
- Metal working and machining
- Painting and surface treatment
- Manufacture of forging and pressing tools
- Metallographic and mechanical testing
- Subassembly production
